

# Shota Pailodze

## FRONT-END DEVELOPER

### SUMMARY

As a meticulous and adaptable front-end web developer specializing in React, I draw on skills cultivated during military service. Proficient in responsive design and user interface development, I excel in problem-solving, collaboration, and attention to detail. My ability to thrive in high-pressure environments and commitment to continuous learning make me a valuable asset in dynamic development settings.

### PERSONAL DETAILS

#### Birth date

19 October 1998

### WORK EXPERIENCE

#### • Military Service

EMPLOYER

2017-2023

During my military service, I held Sergeant rank, where I developed and applied a robust skill set. Key contributions include:  
Leadership and Team Management: Led teams in challenging and high-pressure situations, fostering cohesion and achieving mission objectives.

Discipline and Time Management: Executed tasks with precision, meeting strict deadlines and maintaining a commitment to excellence.

Adaptability and Resilience: Thrived in diverse and challenging environments, developing resilience and adaptability to overcome obstacles.

#### • Front-End Web Developer | Freelance

EMPLOYER

2023

In my role as a freelance front-end web developer, I specialize in leveraging React to create dynamic and responsive user interfaces. My commitment to precision and user-centric design is evident in my work, ensuring seamless and engaging digital experiences.
